## LETTER OF RECOMMENDATION

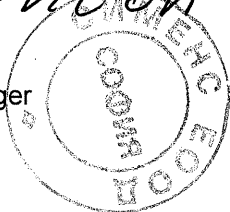

We have been working with Cargoplanet Ltd. in some of our projects. They have been handling different types of shipments for us. Their performance has always been very satisfactory. Transport options, reliability and prices, which Cargoplanet offer, always meet our needs. Delivery time and special conditions are being kept; we are always accurately informed for any important issues concerning our deliveries.

Therefore, we highly recommend their services as a forwarding company.

Sincerely,

*Anton Stoynev*
